

An ISO 9001 : 2015 Certified Company

PARTH

ENGINEERING WORKS

Manufacturers & Exporters of
Precision Brass Components & Forged Components

COMPANY PROFILE

We are the accredited ISO 9001:2015 certified Company offer wide range of brass components to our clients at industry leading prices. We do offer quality range of products since decades. Today, we have been established ourselves as reputed manufacturers and suppliers of brass components India at highly competitive prices.

We have right skills and expertise to manufacture all complex pieces with ease. We offer our products as needed by our clients in custom specifications. Our strong technical experience has made us more competitive in market. Further, our quality engineers inspect products thoroughly to assure flawless production to our clients.

We always manufacture our products with quality raw materials sourced from most reputed vendors in the industry. We have equipped laboratory and manufacturing unit where we manufacture our products as per industrial standards and quality norms. We work in dual shifts to complete any order in committed time frame. We also have ultrasonic facility to give remarkable finishes and clear plating on to wide range of brass products.

Since the time of our inception, we are working with single objective to achieve maximum client satisfaction. We are striving hard to deliver quality range of products to our clients. Our experienced and qualified team is our backbone that shows why we are so successful in the industry. Owing to strict quality guidelines, our products are popular in both domestic and international markets.

Our Mission

To find the best export Solution for the customer's particular requirement which results into the creation of long standing commercial relationships built on mutual trust and understanding

Our Vision

Our vision has always been to excel in our performance and achieve perfection in what we are doing. Flawless production, timely delivery and competitive pricing are the characteristics of our organization.

QUALITY

We are the accredited and certified manufacturers and suppliers of brass terminals and brass components India whose products are tested on several quality parameters before any final dispatch. We make sure that each and every product manufactured by us is prepared under strict quality guidance and international quality norms.

Our wide product is tested on various quality parameters for flawless and assured results. Our superior range of products is fabricated by using ultra grade raw materials that are highly durable and flexible. Our some of popular products include brass plunger, brass spare meter parts, pump spare parts, brass female tee etc.

Our products are also tested under real conditions to check their performance and performance. We have well equipped laboratory where products are tested stringently by our expert team of engineers. TO know more on our quality process and wide product line contact our team now. We also give custom solutions to our clients on special requests or demand.

INFRASTRUCTURE

BRASS FITTING PARTS

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification

BRASS PUMP PARTS

Brass Pump Parts Range :

Brass Foot Valve & Plunger Parts, Brass Strainer, Brass Sand Guard, Brass 5 Way Connector, Brass 3 Way Connector, Brass Nozzles, Brass Wear Rings, Brass Connectors Any other such item as per customer requirements.

Application : Brass Submersible Pump, Pressure Buster, Jet Pump

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification

BRASS SANITARY FITTING PARTS

Brass Sanitary Fittings Range :

Brass Tee, Brass Elbow, Brass Union, Brass Socket, Brass Coupling , Brass Bush, Brass Plug Brass Stop Plug, Brass Adapters, Brass Sanitary fittings, couplers, Male female pipe fittings, Hexagonal Reducing Nipple, Hexagonal Stop Plug, Reducing Bush, Male Female Adaptors, male Female Connectors, Barb fitting for plastic pipe like Male Female Hose End, Hose Joiner, Tee, Elbow.

Any other such item as per customer requirements.

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.

BRASS GAS FITTING PARTS

We are the prominent manufactures and exporter of a wide range of Brass Gas Parts to our esteemed clients. These gas parts are much preferable for thermal and electrical conductivity parts. These are superior quality brass assures high durability and strength of the brass gas parts. These are contrived using superior quality material under the guidance of our expert professionals.

Special Features : Any kind of special turned parts can be made as per customer's specifications.

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.

BRASS BREAK FITTINGS

We are manufacturer, supplier and exporter of complete range of Brass Air Brake Fittings, Air Brake Hose Connector Body, Air Brake Hose Sleeve, Air brake Hose Union assembly, Air Brake Hose Nut With Spring, Air Brake Hose Nut and any kind of Brass Part Product can be developed as per customer's specifications

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.

BRASS HOSE BARB FITTINGS

We are Manufacturer and Exporter of complete range of Brass Hose Barb Fittings such as Brass Hose Collars, Brass Joint Nipple, Brass Barrel Nipples BSP, Brass Spacer Nipples, T joint, Garden Hose Adaptors, Automotive Hose Barbs, Push On Hose Barbs Fittings, Standard Hose Barbs, Welding Hose Fittings, Brass Tube Fittings, Brass Hose Nipple Male & Female, Male Barb Nipple, Brass Hose Y Joint, Brass Hose Tee Joint, Hose Elbow, Brass Hose Ferrules, Brass Barb Coupling, Brass RO Nipples & Brass Pipe Nipples.

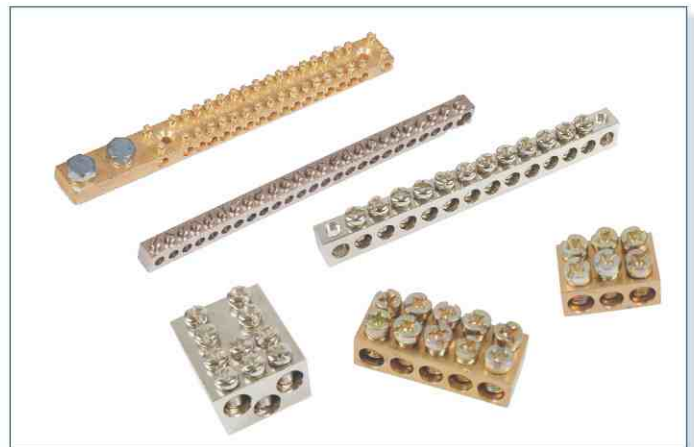

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.

BRASS ELECTRICAL COMPONENTS

We are manufacturing all kind of electrical brass components and electrical wiring accessories for many applications. We produce components as per customer's requirement which change accordingly customer application

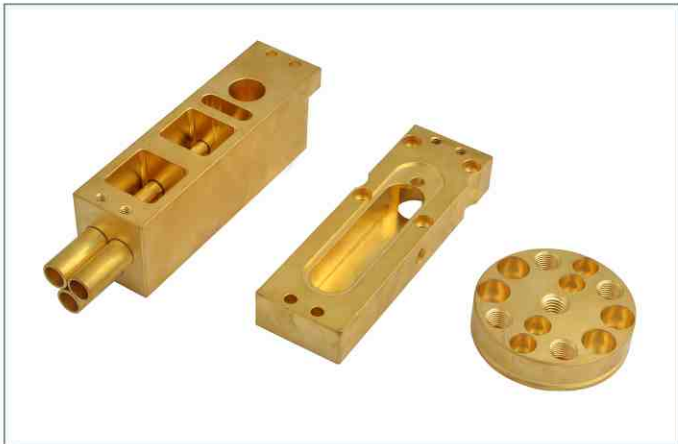

Material : Free cutting Brass 319 type or BS 249 type, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, MM, PG, BSW, BSP, BSB, BSF, BA, NPT, NPTF, UNC, UNF, UNEF, Any threads as per customer's design

Size : Specification or as per custom design or requirement

Finish : Natural, Nickel Plated, Tin Plated or any coating as per customer specification.

BRASS TURNED COMPONENTS

Classification :

Automobile Sector, Electrical Sector, Electronic Sector, Tele Communication Sector, Instrumentation Sector, Moulding Industries
Sensor Industries, Valves & Water Industries, Lighting System

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.

BRASS PPR INSERTS

PPR Connection Male & Female Inserts are produced from 1/2" to 2" BSP Thread. Length and other features vary as per customer's specification

Application : The brass male female inserts/ ppr brass inserts are most suitable for brass PPR Fittings. Threads : BSP & BSPT (Parallel & Taper Threads)

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.

BRASS NOZZELS

We are manufacturer, supplier and exporter of complete set of Brass Fountain Nozzles such as Spray Nozzles, Vulcan Nozzles, Cascade Nozzles, Bubbler Nozzles, Mist Nozzles, Adjustable Fountain Nozzles, Fountain Long Nozzles, Multi Jet Nozzles, Foam Effect Nozzles, Water Film Nozzles, Fountain Ball Nozzles, Ball Joint, Foam Fountain Nozzles, Deck Jet Fountain Nozzles and any kind of Brass Component can be developed as per customer's specifications.

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.

BRASS SPLIT BOLT CONNECTORS

Special Features :

Brass Split Bolt Connectors Brass Split Bolts Brass Line taps Copper Split Bolts Copper Split Bolt Connectors Available as per customer's drawing and specifications.

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.

BRASS STOP PLUG

We always cater to the varied market demands and offer excellent quality Brass Stop Plugs (NPT). They are developed from fine quality raw materials, procured from our reliable and trustworthy vendors. Use of proper technology and customization as per clients' orders has enhanced the popularity of our products. We also offer bulk deliveries within decided time limits.

Materials : Brass IS-319 Grade I and Brass IS-319 Grade II, CuZn39Pb3, C 36000, Any special Brass Material Composition as per customers requirement

Threads : ISO Metric, BSP, BSPT, NPT, NPTF, UNC, UNF, UNEF etc. Any threads as per custom design

Size : Specification or as per custom design or requirement.

Finish : Natural Plated, Nickel Plated, Chrome Plated, Silver Plated, Tin Plated or any coating as per customer specification.
